### **\$40.00 Materials Waiver**

Students are required to complete a printed portfolio of their best class projects in both Digital Photography and Computer Graphics. The portfolio is printed on premium quality Kodak photo paper and professionally mounted on display boards. Students also receive a portfolio case to hold the mounted pictures. The photos are printed with an Epson 3880 inkjet printer used by many professional photographers. The finished portfolio is taken home and students will have a permanent record of their work for future display and portfolio review.

Please fill out the information below if you cannot pay the \$40.00 Materials Cost.
