

Petition Contract for IB Visual Arts with Emphasis in Photography

Please bring this form to Mr. Lindroth when done filling it out.

Student Name: _____

NPHS photography course previously taken and received a B or better (please circle):

Photography One/Two	Digital Photography	Art Media	Color & Design
Computer Graphics	Drawing/Life Drawing	AP Studio Art	

Teacher signature: _____

Students who have not taken a NPHS photography course must submit a portfolio. Details on the portfolio on the link below this one. Mr. Lindroth will also consult with your counselor to make sure you can handle this course academically.

Student email: _____

Please check your email as this is how Mr. Lindroth will communicate with you this way for now.

Parent/Guardian Approval:

As a parent/guardian of a student petitioning into this course you must be aware of the rigor and costs associated with this class. This course is fast-paced and challenging. Your child is expected to be self-sufficient and self-motivated enough to maintain at least a B in this course. There are several costs that your family will have to pay for as well as paying for the cost of the portfolio submission to IB (if your child chooses to submit a portfolio). If your family may have trouble covering these costs, there are limited funds the school can provide to qualified applicants – this is taken care of through the counseling department. If you have questions, please contact Mr. Lindroth at elindroth@conejousd.org.

I, _____, as the parent/guardian believe my child is capable of handling the rigor of this course and approve of his/her petition. I also realize that there are costs associated with this class to pay for materials. I have read the IB Photo Petition Explanation.

Parent/Guardian Signature: _____

Once this is done, return this to Mr. Lindroth. Failure to return this form to him will mean your name will be pulled off the roster.

I, _____, the student have read the IB Photo Petition Explanation and understand what is expected of me to enroll in the course. I understand that this is a rigorous course and I need to maintain at least a B.
