- 2. Change the background of the new document to black > Ctrl A > Edit > Fill with Black.
- 3. Deselect after the background fills with black > Ctrl D.
- 4. Select the Type Tool > T < choose the Font style, color and size (use 60 pt or more).
- 5. With type tool selected, click the mouse and drag a box that fills the background. You can adjust the size later.
- 6. Text should be in the center of the page and easy to read.
- 7. Save the completed text box as a JPEG and place into your video using "Add pics and vds":
