**Famous Photographers/Artists Research Project**

Choose three different photographers/artists and write a brief summary of:

- Their contribution to the art world/brief biographical information as it applies to their art
- Why you are drawn to their work
- How their work connects, relates and/or inspires your work

Include five images by the artist

You must cite at least one source for each artist. Use MLA format for citation (the NPHS library has an Easy Bib account)

Length for text for each entry: at least  $\frac{3}{4}$  page, typed, 10-12 point font

Turn in as a Google Doc or Word Doc

If using a Google Doc, please share the document and copy and paste the link when you turn it in. Be sure the link is shared so that is viewable by anyone with the link.

This should be turned in as one document, not three separate ones
