

AP and IB Reflection on AP Portfolios Provided by College Board

Look at all eight sample Sustained Investigation portfolios provided by AP. Samples 1-4 all scored at the highest level on the rubric (3 being the highest for the rubric).

Sample portfolios 5-8 scored in varying ways below the highest marks.

After reading the comments from the evaluators and observing the work for yourself, what are your observations about the higher scoring portfolios?

What are your observations about the lower scoring portfolios?

Please choose four different sentences/statements made by four different artists that are your favorite and/or your least favorite. This can be from any of the sample portfolios. You can copy and paste the statement into your document. Explain why these statements are well-conceived or could be improved and explain why you take this position on their words.

Please choose four different comments made by the evaluators. This can be from any of the sample portfolios. You can copy and paste the comment into your document. Briefly explain your agreement or disagreement with their comment and why you agree or disagree.

This assignment can be typed up on a Google Doc or Word Doc and uploaded to Canvas (PDF preferred but not required). Or you can use the text entry method offered by Canvas.
